READY TO JUMP IN

Our Online MBA gives you an enriching and engaging education designed to help you lead in an increasingly digital world. Most students build a schedule around their current job and complete the program within two-and-a-half to three years. You can accelerate that timeline to take as few as two years or extend it to five years.

LEARN AT YOUR OWN PACE

One of the best parts of our Online MBA is that you can stay where you are and get where you want to be. You can choose to start in late August or January, and schedule courses at a pace that works best for your schedule.

BUILD RELATIONSHIPS THROUGH RESIDENCIES

Leadership, transformation, and innovation are the focus of three residencies at the Michigan Ross campus in Ann Arbor, Michigan.* Students can also attend a Global Business Strategy residency in an international location. You can also attend a Global Business Strategy residency in an international location like Germany, Chile, and Italy.

CUSTOMIZE YOUR LEARNING JOURNEY

With a wide range of course options, you can thoughtfully choose electives that align with your interests and goals. Example electives include Healthcare and Public Policies, Leading Diverse Teams and Organizations: A DEI Toolkit, Digital Marketing, and Strategies for Growth. Electives can be taken online or in person through the Full-Time or Weekend MBA Programs.

In addition, once you complete the core coursework, you are eligible to take elective courses on campus in Ann Arbor throughout other schools and colleges across U-M.

STUDENT-RUN INVESTMENT FUND

Michigan Ross Online MBA students don't just learn about equity investing and portfolio management theories. They can actively manage part of the University of Michigan's endowment in our unique elective: Managing the OMBA Fund.

READY TO PROVE YOURSELF

One of the best parts of our Online MBA is that you don't have to uproot your life to take a life-changing journey. No matter where you are, you'll learn from top faculty and will have a chance to sharpen your leadership skills through unique challenges and intensive, action-based residencies.

IN-PERSON RESIDENCIES

Become a more confident leader, while building the skills and the network you need to succeed. Three in-person residencies, in the U.S. or abroad*, will put your learning into action as you navigate the challenges and complexities of today's global business environment.

LEADERSHIP CRISIS CHALLENGE

As part of the leadership residency, the Leadership Crisis Challenge puts you and your teammates in an executive leadership team role, navigating a high-stakes, high-pressure, and very public simulated crisis. So, when it comes time to face the tough challenges, you'll be prepared.

**Students without an eligible U.S. visa need to meet the residency requirement by attending three international residencies.*
